

### Grand Opening for Sav-on Drug Store Slated Soon

Scheduled for grand opening within the next few weeks is the Southland's biggest and most modern super drug store, the new Sav-on now nearing completion at the intersection of 190th st. and Anza ave. on the Torrance-Redondo boundary.

Surrounded by ample parking facilities, the store will feature complete departments in all recognized drug lines including a full baby and infant section, drugs, sundries, outdoor living and cosmetics. Also coming in for strong emphasis will be a modern photographic department and fishing tackle section.

The famous Save-on ice cream will be available both in hand pack and pre-packaged form as well as cones for children, both young and not so young.

The store will employ all local help apart from a few key supervisory grades. The manager is now available to interview prospective employees.

### Pedestrian Bridge Planned for Park

Preliminary plans for the construction of a pedestrian bridge across Dominguez Channel at Alondra park were approved this week by the Board of Supervisors, and the County Engineer's office was instructed to prepare the work drawings, according to Supervisor Kenneth Hahn.

The bridge will be constructed approximately 700 feet north of Redondo Beach Blvd., and will provide access to the picnic area of the park from the parking area of El Camino college.

To be constructed of a pre-stressed concrete slab, the bridge will be six feet wide between the hand rails, and it will be approximately 75 feet in length.

The bridge and its abutments which will be 20 feet in length is being designed to conform to future widening and improvement of Dominguez Channel. Plans for the widening of the Channel through the park call for it to be increased to 75 feet with concrete sides and bottom.

### Approve Plans for School Additions

Preliminary plans and specifications for 18 classrooms and other facilities at five Torrance elementary schools were approved Tuesday night by the Torrance Board of Education.

The board action paves the way for final plans, which will be presented later this summer. Construction is expected to start this fall on the additions at Waleria, Steele, Edison, Madrona, and Torrance Elementary Schools.

Seven classrooms, shop and homemaking additions, and a storage facility are planned at Waleria School, while Steele, Edison and Madrona Schools will have additions of four classrooms each, all of steel portable construction. In addition, Madrona will get a music unit. A new cafeteria kitchen and connecting arcade are set for Torrance Elementary School.

### Plan Training for Bible Teachers

A school for training Bible class teachers will be held July 14-18 at the Lomita Church of Christ, 2041 Pacific Coast Hwy. The school will have three classes from 7:30-9 p.m. each night.

Don Mansur, one of the Lomita preachers, will direct a class called "Songs Children Like to Sing," from 7:30-8 p.m. From 8 to 8:40 each night, different guest speakers will teach specific subjects. Following this, Rev. Elvis Bozarth, another Lomita pastor, will direct group discussions.

Classes will also be conducted for the children and young people from 8-9 p.m.

The public is invited to attend. No collections will be taken.

### School Overpass Funds Approved

The Torrance School Board Tuesday night voted to pay one-third of the cost of building a pedestrian overcrossing over busy Pacific Coast Hwy. in front of South High School.

The state indicated recently that it would approve such a structure if the city of Torrance and the school district would each pay one-third of the estimated \$49,000 cost. The Torrance City Council approved the plan at its June 24 meeting.

All three governmental agencies will work together to determine the exact location for the overcrossing.

### Seek Cowboy Rustler in Theft of Real Wild Horse

A rootin' tootin' cowboy is being sought by deputy sheriffs today in connection with some horse stealing from a ranch at 26173 Pennsylvania ave., Rolling Hills.

Max D. Buckley, a cowboy employed by ranch owner Lynn Harold Chandler, of 26922 Buckskin Road, said that he noticed that the bay filly has been missing since Thursday.

The cowboy said that the thief must have been an experienced horseman, because the filly was "very wild" and had not been broken. Buckley told deputies that the rustler must have been able to rope the horse while on the run in order to capture it.

The stolen filly is valued at \$500.

### Torrance Realtors to Attend Meet on Industry Plans

Industrial planning will be the highlight of a conference tomorrow in Riverside which will be represented by members of the Torrance-Lomita Board of Realtors.

Need for planned industrial parks is being stressed by the California Real Estate Association, which is sponsoring the conference, according to Harry Bowker, president of the Torrance-Lomita Board.

Experts in the field of industrial planning will be at the meeting.

Over 600,000 American motorists lock themselves out of their cars every year. Carry a spare key on a key chain or in your purse. You may need it one of these days.

### Business Loans Set New Mark

A new record for business loans was established by the Los Angeles Regional Office of the Small Business Administration when 104 loans for \$4,464,150 were approved during the quarter ending June 30, 1958, Donald McLarnan, Regional Director of the Federal Agency, revealed today.

Business loans approved during the quarter ending June 30, compare with 64 such loans for \$2,731,091 during the quarter.

### TRAILERITES

Motorists should allow a driver towing a trailer plenty of room as he is handicapped by greater stopping distances. Also remember that it takes greater clearance ahead to pass a car and trailer than it does just another automobile.

### Dodger Torrance Night Tickets Still Available

Interest is building up strongly for Torrance Night at the Los Angeles Dodgers vs Philadelphia Phillies Baseball Game scheduled for Saturday Night, July 19, at the Los Angeles Coliseum.

Reserved tickets at \$2.50 are now on sale at the Torrance Chamber of Commerce office, 1345 El Prado, according to President Fred W. Mill.

Mill said his group would be happy to have any local business firm assist in ticket sales. Bus transportation will be available at \$1 for adults and 50 cents for children (age 8 through 17). The bus will leave from the Torrance Chamber of Commerce, where tickets may be purchased in advance. Buses will leave at 6 p.m.

Kids will get a real break, also, Mill added, as they will be admitted free, in a special general admission section. If an adult accompanies every group of six kids, age 8 through 17. The adult will also be admitted free. Reservations must be made by the adult in advance by calling the Chamber Office, FA 8-2814.
